Work Experience

Mobile Software Engineer
Samsara

2024 - current
San Francisco, CA (Remote)

Impacted over 200,000 users on the mobile app experience team by updating major, minor, and patches for 3rd party node package managers. Tested code on iOS/android with 80% code coverage with jest/Enzyme. Agile one week sprints, provided detail documentation on Jira/PR's.

Key Accomplishments:

- Updated JavaScript packages and dependencies resolving 70 Common Vulnerabilities and Exposures (CVE), implemented unit test as needed.

React Native Front End Developer
John Hagee Ministries

2022 - 2024
San Antonio, TX (Remote)

Met stakeholder design standards for iOS, Android, and web view utilizing React/React Native in several environments. Throughout CI/CD enhanced and debugged code base. Meritoriously promoted and impacted over 30,000 users with shipped app and revitalized websites.

Key Accomplishments:

- Migrated 75 React legacy components to React Native and React Native Web to support several website domains, iOS, and Android with a single code base.
- Improved UI/UX with custom hooks, component composition, high order components, and theming, utilized ContextAPI, zustand, and Git version control

Developer Support Engineer
Constellation Digital Services (FinTech Platform)

2020 - 2022
Raleigh, NC (Remote)

On the Constellation Platform, developed and enhanced services and technical content, and cultivated relationships with credit union developers and 3rd party developers. Support applications deployed onto the platform.

Key Accomplishments:

- Code review of credit union applications in Java, Typescript, JavaScript, React, and Certified applications for staging API handoff
- Developed internal platform applications, vetted, debugged, and expedited Jira tickets,

Education

Certificate in Full Stack Web Development
University of North Carolina Charlotte, Charlotte, NC

2020 - 2021

Bachelor of Science in Geosciences
University of Nevada, Las Vegas, Las Vegas, NV

2014 - 2017

Military Service **United States Marine Corps Honorable Discharged**

The team leader of a mortar squad that established leadership and indirect and direct air fire support for rifle platoons/squads
